Dear Mr. Boucher:

After a review of the Democratic Party Designating petition filed by you for the Democratic Party for the public office of Councilmember, City of Mount Vernon, it has been found that there is an over designation for the public office of Councilmember. According to the Amended Certificate of Office form dated May 29, 2009 and received at the Board of Elections on June 4, 2009 from the Mount Vernon City Clerk, there are only three (3) Full Term Councilmember seats and one (1) Unexpired Term Councilmember seat. According to the Mount Vernon Democratic Party Designating petition filed on July 14, 2009, you have designated four (4) people for the three (3) Full Term Councilmember seats.

Since there are only three (3) Full Term Councilmember seats, the Board has ruled that the candidate names of Eileen M. Justino, Jennifer M. Sampson, Debra A. Stern and Collie N. Edwers will not appear for the public office of Councilmember for the City of Mount Vernon on the Democratic Party primary ballot on September 15, 2009.

Very truly yours,

Reginald A. LaFayette
Commissioner
